Inserts / Posters

We can create posters, flyers or inserts for your event with the information provided. You should plan on a 2-week time frame from submission to first proof. Allow additional time for potential changes after this time. Your committee will be responsible for distributing the posters. There is a cost for color printing, please inquire if interested.

Paid Advertising

Please contact the Communications Committee Chair if you would like to explore paid print or online advertising for your event.

Press Release / Internet Posting

Many of the online postings for your event are free. The Communications Committee will use your provided description for public relations activities if requested. If you would like to include graphics/photos or additional information please provide them along with your completed Event Publicity Planning Form. A 6-week lead time for press releases is required.

Minute for Mission

If your event is Mission related and you would like to request a Minute for Mission during Worship please email Jeffrey Jensen for guidelines and available dates.

Post Event Follow Up

As you plan and ultimately wrap up your event, please keep a notebook of information to be handed down to the next Event Coordinator. A post event committee meeting to determine what worked and what could be improved is very helpful. Do you know the date of next year's event? Let's get it on the calendar and start planning!

Event Photography

Photos of your event with a description are also a great way to celebrate your hard work and success with the members of First Pres. We can supply you with names of church members who can provide photography services. Please email information to the Communications Coordinator for inclusion in the weekly e-news and monthly newsletter and possibly in outside media.
